Emily Blunt: Salmon Fishing in the Yemen Premierel

September 11, 2011 By Just Jared

Emily Blunt and Ewan McGregor step out for the premiere of their new movie, *Salmon Fishing in the Yemen*, on Friday (September 9) in Toronto, Ontario, Canada.

The 28-year-old English actress wore a mountaineer embroidered jumpsuit by Christian Cota and carried a Kotur clutch.

Salmon Fishing in the Yemen tells the story of Dr. Alfred Jones (McGregor), who finds himself reluctantly involved in a project to bring salmon fishing to the Highlands of the Yemen - a project that will change his life, and the course of British political history - forever.

Also pictured inside are Emily and Ewan at the after party for the premiere, which was held at the BlackBerry Lounge at Brassaii.
